Ms. Betsey Means
WomanLore
1849 W. Eddy Street
Chicago, IL. 60657

Dear Betsey:

Thank you so much another great performance. I learned so much about a woman who was certainly a pioneer. The women you portray really come to life in your programs. What a treat for the audience.

I am enclosing the DVD of your program. If you use it or portions of it to promote your business, please credit the Addison Public Library. The videographer was Mike Tynus.

Once again, thank you,

Sally Schuster
