Dear Betsey:

Wow! I've never heard such positive feedback from a program! Thank you and bravo! for your excellent portrayal of Alicia. Our patrons loved it, they were spellbound and very moved by her story. Thank you for staying and answering the multitude of questions after the performance.

It's been wonderful working with you all these years, Betsey. You only get better. I've put you on our "short list" for the next programming librarian to be sure and have you back.

All the best,
