March 4, 2003

Ms. Betsey Means Wills  
Woman Lore  
1849 West Eddy Street  
Chicago, IL. 60657

Dear Betsey:

Thank you for a wonderfully powerful and moving presentation last evening at Schaumburg Township District Library! It certainly made all of us in the audience aware of Mother Jones and her mission.

It was a great program, one which will be long remembered. I hope that you will be able to return to our library for future programs. Also, good luck with your summer "March."

Sincerely,

*Mary Garvey*
